HOW TO VIEW DIDACTIC CONTENT

CREATE AN ACCOUNT

The online study guide covers didactic materials containing printable text reviews and practice questions. The didactics are available free-of-charge to anyone with a valid email address. If this is your first time reviewing the didactic materials, create an account to get started.

1. Visit Surgical Fundamentals Online Didactics and click register here.
   a. www.fesdidactic.org
   b. www.fusedidactic.org

2. Fill in the required fields and click Create Account.
3. A message will appear notifying you that your account has been created.
4. Click Continue to automatically log in to your account.

5. The My Account page appears.
6. Refresh your browser to load the didactic modules. Note: you can refresh the page by simultaneously pressing the Shift and F5 key on your keyboard. If you have trouble refreshing the page, log out of your account and log back in to load the didactic modules.
7. Both the FES and FUSE courses appear.
LAUNCH A COURSE

While you will have access to, and are invited to study both the FES and FUSE courses, they are independent of each other. Each course contains information specific to the exam of the same name. The courseware utilizes pop-ups, if you run into issues viewing the course window, please ensure that your browser is configured to allow pop ups from fesdidactic.org and fusedidactic.org.

1. After you create an account, log in to view the didactics if you are not already logged in.
   a. www.fesdidactic.org
   b. www.fusedidactic.org
2. Click Go next to the course you want to view.

9. Once you see that your data has been saved, click on **Click here to go back to the course details**.

10. The course details page appears with the status of your lesson updated.

11. From here you may click **Go** to start another lesson, or exit the site and return at a later time.
HOW TO TRACK YOUR PROGRESS

LESSON STATUS
You can track your progress by viewing the status of each lesson assigned for any given course. You must view the entire lesson and take the assessment at the end of each lesson for it to be marked complete. After completing all the lessons the course will be considered complete and moved to the completed tab where you can continue to access it.

1. Log in to your account.
   a. www.fesdidactic.org
   b. www.fusedidactic.org
2. Click Go next to the course you want to view progress for.

![Image of My Account]

3. The description of the course and a list of lessons for the course appear.
4. From here you can view the status of each lesson (Not Attempted, In Progress or Completed) and your assessment score for each Completed lesson. Note: The CME/CEU Module will not have a score available as there is no assessment to complete for that lesson.

5. You may start a Completed lesson for more practice, but the scores you receive on an assessment are only recorded the first time.
**TRANSCRIPTS**

When all of the course lessons have been completed you may generate and print course transcripts indicating the completion of the course.

1. Log in to your account.
   a. [www.fesdidactic.org](http://www.fesdidactic.org)
   b. [www.fusedidactic.org](http://www.fusedidactic.org)

2. From the main menu, select **My Transcript**.

3. Your transcript appears on the page.

4. Click **Print** to print and save a copy for your records.
